## Deodar Plantation Drive

August 21, 2024

we planted . In a beautiful collaboration with the Eco Club and with the dedicated efforts of 70 volunteers, we turned the earth to cradle young deodar trees, envisioning a future where their branches will reach high, sheltering generations to come. This drive was not just about trees—it was about grounding ourselves in a legacy of environmental stewardship.

## Participation in Anti-Drug Awareness Drive

August 12, 2024

In order to raise awareness about the ill effects of drugs, the NSS unit has actively participated in the mass rally organized by Anti-Drug committee of GC Chowari. The rally was marched from the college campus to the market area where students have shouted slogans.
