## ANNEXURE – I

The Red Ribbon Club of this college is playing a pivotal role in addressing youth issues in general and spreading awareness regarding HIV/AIDS in particular among the general mass. This year total 60 volunteers were enrolled in the RRC Chowari.

On 27th August, 2024 Nodal officer Dr. Manoj Kumar and three RRC volunteer (Mr. Rohit and Miss. Anshika) of this college have attended one-day training program held in the office of CMO Chamba.

The first orientation meeting of RRC volunteers was held on dated 14.8.2024, in this meeting nodal officer Prof. Pallavi Berry and Dr. Manoj Kumar apprised volunteers regarding aims and objectives of the red ribbon club. They are further encouraged to discuss various issues such as gender discrimination, drug abuse, HIV/AIDS etc. Thereafter general election were held where president, vice president, secretary, and joint secretary were elected democratically. After constitution of house, strategies for the various events during the academic session 2024-25 were discussed.

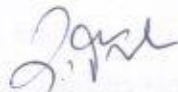

Flash mob was organized on dated 22.8.2024 in and outside the campus by red ribbon club volunteer. There were around 25 RRC volunteers participated in the flash mob. The theme for the flash mob was to make general public aware about the HIV/AIDS. The ten-minute act addressed various myths and misconception among general population regarding HIV/AIDS. The act also shared accurate information w.r.t. infection, diagnosis, treatment and government assistance for people living with HIV/AIDS.

On dated 28.9.2024 the invited lecture was organized in the zoology laboratory where volunteers of red ribbon club along with other students were sensitized regarding myths, diagnosis of HIV/AIDS. The key speaker was Dr. Devender Pal, Sharma, Medical officer Civil hospital Chowari. Total sixty-one students were participated in the event. Dr. D Pal apprised students about various routes through which one can acquired HIV. He further elaborated the mode of action of virus inside the body and how HIV infection finally lead to the development of AIDS. He also interacted with the students and addressed their doubts and queries as well.

The account of AIDS DAY the campaign was dedicated to spreading awareness among the general mass of the locality by conducting an awareness rally on 2<sup>nd</sup> Dec.2024. The rally was

started from college, went through a bus stand covering the whole market, and then returned to the college. Students and volunteers raised slogans during the rally.

On 3.12.2024 slogan writing and poster masking competition was organized (theme: HIV/AIDS awareness HIV Testing) where Mr. Sudarshan (BSC 3<sup>rd</sup> year) got 1<sup>st</sup> position where as Mr. Abhishek Thakur of BCOM 1<sup>st</sup> year secured 2<sup>nd</sup> position in slogan writing competition. Total 30 students participated in the slogan writing/poster making competition. The theme for poster making event was, HIV testing, stigma and exclusion faced by people living with HIV/AIDS. Mr. Rohit (BSC 3<sup>rd</sup> year) secured 1<sup>st</sup> position, whereas Mr. Harish Singh (BCOM 2<sup>nd</sup> ) got 2<sup>nd</sup> position.

PROF. PALLAVI BERRY & DR. MANOJ KUMAR
